**Nisyros**

Nisyros is a famous tourist island located in the Aegean Sea. According to mythology, during the period of the Gigantomachy (war of the Giants) Poseidon (the god of the sea) plucked a rock from Kos and in anger threw it at the giant Polyvotis with the intention of killing him. This rock, which crushed the giant, became Nisyros, and the half-dead giant shakes the earth every now and then with his groans, thus awakening the volcano. The sight of it is quite impressive and a truly must visit for everyone.

SHOPPING

Kos offers a proud heritage of traditional Greek products together with what you will normally find at popular tourist destinations. A stroll through the old town of Kos offers you everything from olive oil soap and a jar of locally produced honey to the latest game console for kids.

Kos is also an exciting place to shop for jewellery, leather goods, perfumes and souvenirs—there are plenty of good deals to be found. The more traditional artwork and craft items are also widely available throughout the island. The supermarkets have an array of traditional products. However, if you are looking for a fresh local produce of fruits and vegetables, you can find it at the main square in town.

The bakeries in Kos fill the morning air with an unmistakable aroma of freshly baked breads. They are definitely worth a visit as there are several delicious cookies and pastries available. The more fashionable shops and all big brands are located in the modern part of the island, where you will find the latest designer accessories. Many of the mountain villages offer lovely handmade ceramics as well as exquisite hand-woven fabrics and embroideries.

The village of Pili is known for its fantastic selection of top-notch cheese products. The ‘red cheese’ - a cheese baked in red wine - comes highly recommended.

Olive Wood

For wooden utilities, visit Olive Wood. They feature handmade wooden items from artistic decorations and jewellery to traditional games.

Besides that, they also sell cosmetics that are made of organic olive oil like soap, lotion, and shampoo.

TOURIST INFORMATION

Passport / Visa

Greece can be visited visa-free for up to 90 days by citizens of Australia, New Zealand, Japan, South Korea, Taiwan, Malaysia, Israel, UAE and most countries in America. If you are unsure whether or not you need to apply for a visa, we recommend contacting the embassy or consulate in your country. International (non-Schengen) travelers need a passport that is valid for at least 3 months after the end of their intended trip in order to enter the Schengen zone. Citizens of Schengen countries can travel without a passport, but must have a valid ID with them during their stay.

Kos Island International Airport

Kos Island International Airport, also known as Hippocrates Airport, is located near Andimachia village and lies about 26 km from Kos Town. The easiest way to get to the city is to catch a taxi, which is available from the airport arrival gate. The journey from the Airport to Kos takes about 30-35 minutes.

If you prefer the local transport, then head over to the big roundabout outside the airport gate and catch the orange and cream coloured KTEL bus. The bus service is offered between the Airport and the city of Kos, Mastichari, Kardamena and Kefalos The tickets have very reasonable prices and available on board. It usually takes about 25 minutes for the bus to travel between city centre and the airport. (www.ktel-kos.gr)

There are many reliable car rental companies at the airport such as Hertz, Budget and Sixt. The car rental companies are located in the Arrivals Hall.
