THE ISLAND

PHOTOCREO Michal Bednarek/Shutterstock.com

Ibiza is one of the most beautiful islands in Europe, and it certainly is the liveliest one. Every year more than 4 million visitors come to the island, which has just over 100,000 permanent residents. 'Eivissa' is the formal Catalan name and the name used by its inhabitants. The Balearic island has had many occupants over the last thousand years — from the ancient Phoenician and Carthaginian peoples to the Greeks, Moors, Turks and Catalans.

By the 60s, though, the main invaders were hippies and they established Ibiza as a place for counterculture. All left their cultural fingerprints on Ibiza with a 2,000-year-old salt industry, an old smugglers route, a hippie market and a charming old town. Today, Ibiza is more international than ever — this is evident in the many restaurants offering very different culinary experiences and in the bars and clubs with chic designs set against absolutely breathtaking scenery.

BEACH LIFE

Best Time to Visit

The Ibiza party season lasts from early May (some clubs host opening parties already in late April) to September/beginning of

October. This period coincides with Ibiza's peak season, with temperatures being at their highest in July and August, while June and September being the less crowded months with milder temperatures.

Passport/Visa

Spain can be visited visa-free for up to 90 days by citizens of Australia, New Zealand, Japan, South Korea, Taiwan, Malaysia, Israel, UAE and

most countries in America. If you are unsure whether or not you need to apply for a visa, we recommend contacting the embassy or consulate in your country. International (non-Schengen) travelers need a passport that is valid for at least 3 months after the end of their intended trip in order to enter the Schengen zone. Citizens of Schengen countries can travel without a passport, but must have a valid ID with them during their stay.

Public Transport

Ibiza has a decent bus service that will take you around the island. Regular bus services work all year, while night buses and the Discobus

between Ibiza Town and Sant Antoni are in service from May until September.

All buses run from/to Avgda d'Isidor Macabich in Ibiza Town and bus stops are signed with a blue "P" on white background.

There's a water bus service from Ibiza harbour to other beaches on the island. You can also take it to go across the harbour (to the El Divino club and Marina Botafoch).
