Nature has been wonderfully generous with Jönköping and has dotted it with beautiful small lakes, rolling wooded hills, meadows, wetlands, and last but not least, a kilometre-long beach in the town centre. Perfectly situated between Sweden's major metropolises, the city thrives as a hub for both business and leisure. With warm hospitality and natural wonders, Jönköping promises a unique blend of scenic beauty and urban charm.

THE CITY

Sandra Schramm/Shutterstock.com

Jönköping's origins can be traced back to the 13th century when it was established as a trading post and later gained prominence as a market town. The city's strategic location along major trade routes contributed to its economic growth, fostering a thriving commerce and industry.

Throughout its history, Jönköping has been shaped by its connection to water. Lake Vättern, one of Sweden's largest lakes, not only provided a source of sustenance but also facilitated trade and transportation. The city's waterfront and port area have played a crucial role in its development.

In the 19th century, Jönköping became a significant hub for the matchstick industry, earning the nickname "Swedish Matchstick City." The industry brought wealth and prosperity to the region, leaving an indelible mark on the city's economic landscape.

Today, Jönköping is known for its picturesque landscapes, charming architecture, and a strong emphasis on education and innovation. The city is home to the prestigious Jönköping University, which has contributed to its reputation as a centre for research and learning. The city also hosts various cultural events, museums, and

festivals, making it an attractive destination for both residents and visitors.

Jönköping's blend of historical charm and modern vitality makes it a fascinating city, embodying the spirit of Sweden's cultural and economic evolution over the centuries.

DO & SEE

Andrei Nekrassov/Shutterstock.com

In Jönköping, Gränna, Visingsö and Huskvarna, a treasure trove of discovery awaits. Immerse yourself in the rich tapestry of nature and history that defines the city and the enchanting Småland region. From vibrant events to encounters with friendly locals, there's always something happening in this captivating corner of Sweden.

Astrid Lindgren's World

Astrid Lindgren's World, situated in the enchanting city of Vimmerby, is a magical theme park that brings to life the beloved

characters from Astrid Lindgren's timeless books. Step into the true settings of Lindgren's narratives, where characters perform scenes from the books and engage in delightful improvisations. Open from May to August, with weekend openings in September and selected

weeks in October and November, the park offers a unique opportunity to immerse yourself in the whimsical world created by the iconic Swedish author.

Stadsparken

Situated on the hills with panoramic views of Vättern and the city, the over 100-year-old Stadsparken stands as an oasis within walking distance from the city centre. Surrounded by beautiful nature, this tranquil retreat invites visitors to explore its wonders. Take a leisurely stroll and discover the bird museum, arboretum,

a variety of animals, charming kiosks, and delightful restaurants. Engage in a friendly game of mini golf, or perhaps, relish the nostalgia of a dance hall. Families can delight in the municipality's largest playground, offering endless fun for little ones. For sports enthusiasts, Stadsparksvallen, the home arena for the local soccer team, adds an extra layer of excitement to this idyllic park, making it a perfect destination for both relaxation and recreation.

Gränna & Visingsö

Gränna and Visingsö are unmissable destinations offering enchanting views, manor houses, cobbled roads, bicycle rides, idyllic wooden cabins, castle ruins, paths, and oak forests.

Gränna, founded by Count Per Brahe the Younger in 1652, boasts the Grenna Museum, where you can delve into the fascinating history of S.A. Andrée's adventurous balloon voyage over the North Pole in 1897. Be sure to try the town's sweet signature, the peppermint rock, originally red and white, now available in an array of flavours.

Just a 30-minute boat ride away, Visingsö beckons as an ideal day trip with its captivating attractions, including the ruined Näs Castle, Sweden's first royal residence. Explore the island on foot, embark on a special horse-drawn carriage (known as a remmalag), or enjoy a leisurely bicycle ride, all while taking in the picturesque surroundings.

TOURIST INFORMATION

BMJ/Shutterstock.com

Passport/Visa

Sweden can be visited visa-free for up to 90 days by citizens of Australia, New Zealand, Japan, South Korea, Taiwan, Malaysia, Israel, UAE and

most countries in America. If you are unsure whether or not you need to apply for a visa, we recommend contacting the embassy or consulate in your country. International (non-Schengen) travellers need a passport that is valid for at least 3 months after the end of their intended trip in order to enter the Schengen zone. Citizens of Schengen countries can travel without a passport but must have a valid ID with them during their stay.
