Set on the banks of the River Foyle in Northern Ireland, Derry (officially Londonderry) is one of Europe's best-preserved walled cities. The Bogside murals and Free Derry Corner stand as records of The Troubles, and the "Hands Across the Divide" monument marks the city's hard-won steps towards peace. Named UK City of Culture in 2013, Derry has earned a reputation for great food, live music and a thriving arts scene. The rugged Causeway Coast, a UNESCO-listed stretch of dramatic basalt columns, is just a short drive away.

THE CITY

Henryk Sadura/shutterstock

Northern Ireland’s second-largest city is located on the border with Donegal, Republic of Ireland. From the Irish Doire (meaning "oak tree") Derry, or the Maiden City, was renamed Londonderry in 1613 during the Plantation of Ulster. The name is still a source of contention, with Nationalists calling the city Derry and Unionists preferring the official Londonderry, with the former being most commonly used colloquially.

The city is famous as the scene of Bloody Sunday, one of the grimmest massacres of The Troubles, and in recent years both communities have worked at breaching the political divide symbolised in the sobering statue "Hands Across the Divide", which shows two persons reaching out to hold hands across a crevice.

Native city of poet and Nobel Prize winner Seamus Heaney, Derry has a strong literary, as well as musical tradition, evident in the vibrant art centre and an abundance of theatres and galleries. Derry is the only remaining walled city in Ireland, and is one of the finest examples of a walled city in Europe.

Revelling in its cultural heritage, it also looks with pride and confidence into the future.

DO & SEE

For a short nature getaway, stroll through St Columb's park or venture out into Ness Wood a few miles away from the city.

BARS & NIGHTLIFE

wavebreakmedia/Shutterstock.com

Be sure not to miss out on a pint in one of Derry's fine drinking establishments. Whether you are looking for a stylish wine bar or a laid-back local pub, a friendly atmosphere and good music is often to be expected. Derry's young population (most inhabitants fall into the 20–40 age range) likes to party and clubs are usually open until about 2am, some hosting live music shows. Most charge an entry fee. The city centre can get quite raucous when the clubs spill out so stay on guard, but is generally quite safe.

Popular with backpackers, Peadar O'Donnell's provides good old fashioned "craic" and live music every night (although shows often start late, and sometimes give way to live broadcasts of football matches). It's a proper traditional Irish bar serving beer at affordable prices.
