Standing on the edge of the Indian Ocean, the Swan River running through its heart, surrounded by jaw dropping scenery and with a warm sunny climate, Perth is a chic modern city that strips away your inhibitions and gets you dancing to the relaxed rhythms of its beat.

## THE CITY

© second\_mouse

The Central Business District of Perth straddles the banks of the Swan River, its skyscrapers shimmering in the glare of the sun. This is the commercial and economic heart of the city with endless shopping opportunities and also home to some of its major cultural attractions like the Bell Tower, Perth Mint, His Majesty's Theatre and also the majestic Kings Park, an oasis of serenity after a hard day's sightseeing.

Northbridge, which is located just outside the central district, is Perth's entertainment and cultural mecca. Here you will find an array of cafés, restaurants, bars and nightclubs, while also offering a number of museums and galleries.

Decidedly lower-key than Northbridge, Subiaco is however a thriving cosmopolitan district that has numerous cafés, restaurants, boutiques, theatres and is also home to the Subiaco Oval the birthplace of Australian Rules football.

If you're looking to head for the shores of the Indian Ocean then the white sands of Cottesloe beach is only a stone's throw away and is easily accessible by bus. Or why not take a cruise down the Swan River to the historic and lively suburb of Fremantle?

The London Court Mall, with its mock Tudor façade and jousting knights, will appeal to those looking to spot a lost treasure among its numerous antique shops.

For smaller boutiques and quirky craft shops head towards trendy King St in central Perth or Rokeby Rd and Hay St in Subiaco. Perth also has a healthy array of weekend markets.

If time is short why not try the Lets Go Shopping Tours ([www.letsgoshooppingtours.com](http://www.letsgoshooppingtours.com)) and take in the sights and a spot of lunch while you are escorted on a tailor-made tour of the city's shopping outlets?
