THE CITY

Krzysztof Zalewski/Shutterstock.com

Nestled between the Oslofjord and the surrounding green hills, Oslo is a vibrant city which has evolved from its humble origins as a Viking settlement to become a thriving modern metropolis.

Founded around the year 1000 AD by the Viking king Harald Hardrada, Oslo served as an important trading hub. Throughout the Middle Ages, the city experienced various power struggles and changed hands between Norwegian, Danish, and Swedish rulers.

In 1624, a devastating fire razed much of the city to the ground. This catastrophe presented an opportunity for King Christian IV of Denmark-Norway to redesign Oslo, granting it city status and renaming it Christiania.

The city flourished under Danish rule and later came under Swedish control during the Napoleonic era. Fast forward to 1905, when Norway gained independence from Sweden, and Christiania regained its original name, Oslo, as the capital of the newly established Norwegian state.

The early 20th century witnessed significant urban development, with grand public buildings and cultural institutions shaping the city's

skyline.

In recent years, Oslo has become renowned for its sustainable practices and environmental initiatives, including its eco-friendly transportation. Parks and green spaces are integral to Oslo's urban fabric, providing residents and visitors with ample opportunities to connect with nature.

Today, Oslo is a cosmopolitan city, blending a modern and innovative outlook with its historical charm. It is home to world-class museums, including the iconic Viking Ship Museum and the Munch Museum. The city's culinary scene is thriving, with a diverse range of international cuisines and a strong emphasis on locally sourced ingredients.

DO & SEE

Scharfsinn/Shutterstock.com

Oslo is a lively city, brimming with museums, art, and entertainment, ensuring visitors are constantly engaged and, therefore, never bored. In the heart of the city, one can easily transition from exploring Viking history and charming old wooden neighbourhoods to immersing themselves in the hip districts with innovative architecture and contemporary art. The cityscape is alive with frequent festivals and concerts, scattering delightful melodies and festivities throughout Oslo.

Oslo Opera House

An iconic city landmark, the white-oblique building of the Opera House is located right next to the harbour and was constructed to

emulate a floating glacier. Offering a rich program of opera and ballet, this emblematic building has oak interiors, street-level windows, and a shimmering marble rooftop. To climb it and enjoy great views over Oslo and its fjord is a must for every visitor.

Aker Brygge & Tjuvholmen

Aker Brygge is a lively and very popular area situated right by the fjord. It has witnessed enormous development since the days when it

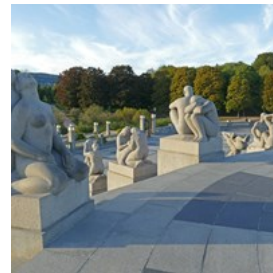

used to be a shipyard up until the 80s. Now, visitors and locals come here for shopping, al fresco dining at one of the countless restaurants and bistros, or just to take a stroll along the waterfront.

Tjuvholmen is an area located on a peninsula adjacent to Aker Brygge, between Pipervika and Filipstad. It has also undergone remarkable transformations throughout its history. Once a bustling dock, shipyard, and warehouse district, Tjuvholmen has evolved into a modern hub characterised by innovative architecture and bustling with stylish apartments and trendy restaurants.

Tjuvholme also hosts many art galleries, a sculpture park, and a city beach. Here you'll also find the Astrup Fearnley Museum of Modern Art, housed in a spectacular wooden building designed by Renzo Piano.

Passport/Visa

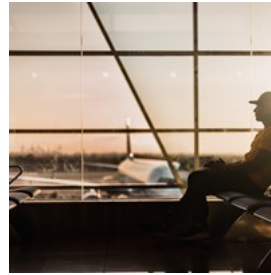

Norway can be visited visa-free for up to 90 days by citizens of Australia, New Zealand, Japan, South Korea, Taiwan, Malaysia, Israel, UAE and

most countries in America. If you are unsure whether or not you need to apply for a visa, we recommend contacting the embassy or consulate in your country.

International (non-Schengen) travellers need a passport that is valid for at least 3 months after the end of their intended trip in order to enter the Schengen zone. Citizens of Schengen countries can travel without a passport but must have a valid ID with them during their stay.

Oslo Airport (OSL)

Oslo's main airport (OSL), also known as Oslo Gardermoen Airport or simply Gardermoen, is situated 50 kilometres north of the Norwegian capital. The airport coaches and high-speed trains depart regularly for central Oslo.

The train takes about 20 minutes and there are two trains to choose from:

- The Airport Express Train (Flytoget)
- Vy (formerly NSB), the national Norwegian railway company

There are also several buses to take from the airport, one of them is Airport Express Coach (Flybussen) which runs every 20 minutes every day between the airport and the city centre.

Taxis are represented at the airport, just head over to the taxi information desk in the arrival hall where you will get information about the fixed rates of the different taxi companies. They can also help you book a taxi, otherwise, the taxi rank is just outside the arrival hall.

TORP Sandefjord Airport (TRF)

TORP Sandefjord Airport (TRF) is located in Sandefjord, approximately 120 kilometres southwest of Oslo's city centre.

Torp-Ekspressen coaches will take you to Oslo's

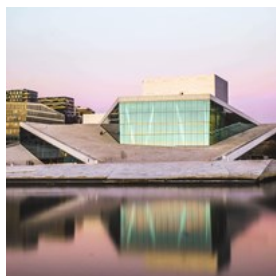

bus terminal from the airport.

Vy (formerly NSB) has a train service to Oslo that runs from the train station by the name of Torp, located between Stokke and Sandefjord. There is a connected shuttle bus service between the airport and the train station that takes approximately 4 minutes.

Taxis and car rental companies are also represented at the airport.

Best Time to Visit

The best time to visit Oslo is in late spring and during the summer, as the temperatures rise and you can enjoy numerous outdoor activities. It can still get chilly, however, so make sure to pack proper clothes. Spring and summer are some of the most popular seasons to travel to Oslo, especially from May to July. During this period, you will experience nearly 24 hours of daylight.

For those who are interested in winter sports, November to April are good periods to visit. In the north of the city, there are great skiing opportunities but be aware the temperatures are around freezing and the daylight hours are short.

Public Transport

and local trains.

Oslo has convenient public transportation, and there are multiple options for travelling around the city, including buses, trams, subways, ferries,

The public transport system is operated by Ruter, and they are all part of the same ticketing and pricing system. Tickets can be purchased from Ruter's Customer Service Centre (in front of Oslo Central Station), from ticket machines at metro stations, or in most Narvesen and 7Eleven shops. Single tickets can be bought on the buses and ferries, but be aware it gets more expensive than tickets bought in advance. There is also Ruter's mobile ticket app where you can buy single, 24-hour, 7-day, and 30-day tickets before boarding.
