Punta Cana is located in the easternmost region of the Dominican Republic. The name of the stunning resort originates from cane palms common in the area. Punta Cana has been popular as a holiday resort destination among tourists for decades, and no wonder: travelers can enjoy white sandy beaches fringed with palm trees and crystal clear waters washing over the 32 km long coastline of the Caribbean Sea and the Atlantic Ocean.

THE CITY

Vlad G/Shutterstock.com

Whether you're looking for a second honeymoon, a family vacation or just some fun in the sun, Punta Cana in the Dominican Republic has everything to become your perfect getaway. As the heart of tourism in the DR, Punta Cana is a place where one is never too far from white sand beaches and something to do or see.

Punta Cana is one of the Caribbean's premiere golf retreats, featuring dozens of courses, some of which were designed by the world's most renowned PGA pros. After 18 holes, find refuge in one of Punta Cana's many casinos for a beverage and a hand of cards.

Families will love natural attractions bursting with distilled beauty of the Caribbean. Head South to explore Indigenous Eyes Ecological Park or the natural spring Hoyo Azul. With all of the great sights and spots near your resort, it can be easy to miss out on everything the Dominican Republic has to offer. Take some time to get lost in the culture and enjoy hand-rolled cigars, flavorful rum, and locally grown coffee.

LA ROMANA

mikolajn/Shutterstock.com

La Romana is home to the impressive Casa de Campo resort, which happens to also contain one of the settlement's primary tourist attractions - a model village designed to imitate those of 16th-century Europe, containing a colossal amphitheater, archaeology museum, and offering some of the best views over the iconic Rio Chavon valley. Beaches, active pursuits on land and water, and the region's most diverse array of dining establishments are some of La Romana's major draws. Catalina Island (just off the coast) makes for an excellent half-day trip.

Altos de Chavon

Altos de Chavon is, perhaps, a rather unlikely attraction for the Dominican Republic - it is a recreation of a 16th-century

Mediterranean village (adjacent to the Casa de Campo resort), complete with dining, shopping and entertainment. There is an on-site Grecian-style amphitheater that plays host to major performances and concerts, and views over Rio Chavon from here are spectacular, too.

Rio Chavon

Internalized in multiple motion pictures, the Rio Chavon and its surrounding valley are a definitive must-see. Take a cruise or join a guided

Rio Chavon Jungle tour with one of the many local companies offering the service, or take in the area in its entirety from atop Altos de Chavon.

Cueva de las Maravillas National Park

Approximately 800 meters below the ground lie the ancient las Maravillas caves, whose age is estimated to be somewhere around

100,000 years. The caves are now open to the public, and an option of taking the elevator back up exists for those not thrilled about the upwards climb. See stalactite and stalagmite formations, wall pictographs, and even local fauna (iguanas).

DO & SEE

Cedric Weber/Shutterstock.com

Although the main attraction of Punta Cana is its luxurious beaches and world-renowned golf courses, this tropical paradise offers plenty of activities and sights on land and at sea. The caressing sun will allow you to spend some idle days of pure sunbathing, whereas the most adventurous can look for an adrenaline-boost on a zip-line or by doing thrilling water-sports .

Discover unspoiled nature and mingle with the locals, sample some flavored rum, experience the mild light of the sun rising, dance intensively and behold at the spectacle of this Caribbean gem.

Scape Park

Going on an expedition in the Iguabonita Cave, zip-lining from the Farallon Cliff or discovering the renowned natural spring waters of

Hoyo Azul, or even heading to the natural theme park of Scape Park, are all options that offer a wide range of cultural and adventurous activities for everyone. Apart from having close encounters with parrots and monkeys, you can also simply enjoy the Caribbean sun and relax on the white sandy beach of Juanillo. Many options and different tours are available as well free

transportation from most hotels of Punta Cana and some restaurants.

Outback Adventures - Outback Safari

Tired of the beach? You can see the outback of Punta Cana aboard an open-air truck suited for tourists. The guides will give you insights into the traditional way of life in the Dominican Republic, but you will also have the opportunity to meet with locals in person, discover the cocoa and coffee farms, as well as rural schools. It will also be the occasion for you to sample cane sugar and delicious fresh fruit, as well as see wild animals. The tour will also stop at a shop that sells rum, cigars, cocoa... at local prices. It is the opportunity to learn more about the Dominican culture, history and customs while admiring the tropical countryside. Drinks and snacks are included and guests are picked up and dropped off at their hotels.

Monkey Land by Runners Adventures

As the name suggests, this tour introduces you to quirky local inhabitants - monkeys - but also grants insight into local lifestyles. You will first have the opportunity to learn how coconut oil is produced at the Casa del Coco, as well as try some local specialties like exotic fruit or roasted coffee. Then, you will have the time to admire and play with the friendly squirrel monkeys - the monkeys are harmless and often initiate contact with humans. On the way to meet them, the open truck will guide you through Higüey and offer you the chance to admire the mountain and a typical Dominican house. Drinks are included and guests are picked up and dropped off from their hotels.

Bávaro Beach

Among the numerous beaches that Punta Cana is famous for, Bávaro Beach is probably one of the most popular ones for tourists who come to

sunbathe on deck chairs or take a dip in the turquoise blue sea. If you don't feel like spending all day at the beach, you still have a variety of activities at your disposal: from entertainment at casinos and watching live shows, to water activities like scuba diving, snorkeling or sailing. Lifeguards will be there to ensure security.

BARS & NIGHTLIFE

DisobeyArt/Shutterstock.com

Punta Cana livens up the hot Caribbean nights with its wealth of bars and clubs. The "fiesta" atmosphere shrouds the easternmost point of the Dominican Republic all year round, where the party stops when the sun rises and the pungent scent of rum and cigars pervades the air.

Soak up the sun by day and soak up the fun by night, Punta Cana is a one-of-a-kind experience.

Imagine Punta Cana

If you are looking for a different way of partying and clubbing, consider descending into a cave and dancing all night in this one of a kind setting.

In this place built in the remains of a castle, be prepared to experience a unique party you can only have in Punta Cana. Several packages are proposed for parties with different music styles, and even Spring Break parties.

Passport / Visa

The Dominican Republic allows nationals from eight countries to enter without a visa or a tourist entry tax (previously known as a tourist card, amounting to US\$10). These eight countries are Argentina, Chile, Ecuador, Israel, Japan, Peru, South Korea and Uruguay.

Residents of the United Kingdom and those holding a valid visa to enter Canada, the United States or any European Union country do not require a tourist visa (tourist card) to enter the Dominican Republic. The tourist entry tax of US\$10 should be included in the price of the flight ticket. Nationals who aren't in possession of a valid visa for Canada, the United States or any European Union country must obtain a tourist visa which must be done in person at the Dominican Consulate nearest to their place of residence.

Nationals from 95 countries can enter the Dominican Republic by paying the tourism entry tax of US\$10 which should be already included in the air fare. Alternatively, the tourist card can be obtained at the airport upon arrival at Punta Cana International Airport. Check out the list of the 95 countries.

The tourist cards are valid for 30 days from the date of entry. You can apply for a tourist card at a consulate near you, online (www.dgii.gov.do/Paginas/inicio.aspx) or at the airport upon arrival.

Best Time to Visit

There are two distinct tourist high seasons in the Dominican Republic: the summer months of July and August, mostly for northern-hemisphere

travelers, and winter season between December and late February, when the Dominican climate is at its best. But since the weather is warm all year round, trips can be organized at any time of the year.

During the summer, temperatures fluctuate from 25 °C to 28 °C and the weather is very hot and humid. The best time to visit the Dominican Republic is therefore during the dry season, from November to April, since the climate is drier but still warm.

Regarding water temperature, it rarely falls below 27 °C.

The Dominican Republic is also in the center of the Caribbean hurricane belt and can be hit by storms especially during the hurricane season in August and September.

If you are planning a trip to the Dominican Republic during the high summer season, and especially if you're heading to Punta Cana, expect higher hotel and resort prices and crowded beaches.

Whale-watching runs from around mid-January to mid-March.

Time Zone

Punta Cana is located in the Atlantic Standard time zone, and all times are reflected in Atlantic time.

Public Transport

The public bus system covers both Punta Cana and Bavaro and is low cost, but navigating it can get tricky. Bus stops are not clearly marked and

you can hail a minibus (Guacas) anywhere, that's why it is recommended to tell the driver in advance where you want to get off.

Tickets can be purchased on board.

Taxi

Taxis and shuttles are commonplace and can be found almost everywhere you want to travel to.

Don't forget that many attractions will provide

free transit if you call ahead or get your resort's travel desk to book for you.

Taxi services in Punta Cana are safe and common, but make sure to set a price before taking a ride. You can book a taxi at hubs at the airport and at most resorts, shopping venues, and attractions. They have fixed rates, which are displayed on a white board in the outer arrival's hall.
