Dennis Port is one of five villages that comprise the town of Dennis in Cape Cod, Massachusetts. For years, Cape Cod has been a place where America's wealthy come to relax during the summer months. The Cape's perfect beaches and the warm waters of Nantucket Sound and Cape Cod Bay provide desirable conditions for sunbathing, fishing, whale watching, surfing, and other activities.

THE CITY

Anthony Quintano/Flickr.com (image cropped)

Dennis Port is located an hour and a half from the Massachusetts capital of Boston and is centrally-located in Cape Cod. This little village within the town of Dennis lies along Nantucket Sound, a short ferry ride from the islands of Martha's Vineyards and Nantucket. The town of Dennis is considered part of the "Mid Cape" region along with Barnstable, the Cape's largest town that also gives the name to the county where Cape Cod is located. In itself, Dennis is home to 18 beaches, which are known as some of the best in the USA.

The town was first founded in 1639 as part of the town of Yarmouth, until it separated from the latter in 1793. Historically, Dennis has been a seafaring town, with commerce centered around Shiverick Shipyard, which is now marked by a plaque at the historic site. The maritime tradition continues in the Cape, and the waters are filled with fishing and private vessels throughout the year.

Also notable in the area are the stately mansions, since many of them had been historic captains' homes. Some of these mansions are still inhabited today, while others have been remodeled and converted into bed and breakfasts—a perfect choice of lodgings for this history enthusiast. Rich in history, yet still filled

with modern delights and facilities, Dennis Port is really a destination that everyone would appreciate: it is quickly apparent why tourists have flocked to the Cape for decades and made it a primary vacation spot.

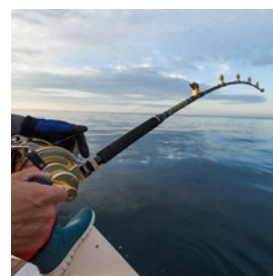

DO & SEE

Allan Wood Photography/Shutterstock.com

The beaches of the Cape Cod region have been touted as some of the best you can find anywhere in the world. Dennis Port's beaches are located on Nantucket Sound, where the warm ocean waters call to swimmers, boaters, and surfers alike. It is also an area that has been known for its artistic community throughout history. In addition to small art galleries interspersed throughout the Cape, visitors will find exhibits and theatrical offerings in Dennis at the Cape Cod Center for the Arts, which houses the Cape Cod Museum of Art, Cape Cinema and the historic Cape Playhouse.

Jak'I Sport Fishing Tours

Fishing and lobstering day trips are available for the entire family. Try to catch some Bluefish or Striped Bass or just relax and enjoy the sunset over

Cape Code Bay. Shark and tuna trips are available from August to September. In other words: come along and have an authentic sea

experience!

Jericho Historical Center

Located in old town of West Dennis, Jericho Historical Center features historical buildings that served as home to the early inhabitants of the

town. Captain Theophilus Baker's house, built in 1801 and occupied by the Baker family in 1855, exhibits original furnishings, textiles, paintings and keepsakes, while Barn Museum offers insight into typical 19th century farm ambiance. Don't miss the cranberry exhibit, which displays the the 200-year-old story of this industry and the important role it played for Dennis since 1816.

Indian Lands Conservation Area

Behind town Office, A coastal area of 25 acres of woodland and marshes hides a unique environment: every year during the winter months,

the shores of Bass River are the typical destination of Nobsquot Indians, a native american community who continues to reside in this natural pearl since 1778. When winter comes, these people come along and built their wigwams along the shores of Bass River, where they use to relax until Spring arrives and brings Lady Slipper Orchid to the river's meadows.

DINING

Paul Binet/Shutterstock.com

Naturally, you will, and should, find seafood restaurants in abundance in a region completely surrounded with water like the Cape is. In fact, any restaurant that doesn't have a catch of the day probably isn't worth your time. Many restaurants have been family-owned for generations, passing down the recipes that put them on the map. Some restaurants are only open for the summer months so check a restaurant's hours if you are vacationing in the off-season.

Kream 'n Kone

Your menu doesn't need to be elaborate when you have quality food to fall back on. In addition to serving some of the freshest and

best-prepared seafood around, Kream 'n Kone also has 24 flavors of soft serve ice cream.

Best Time to Visit

Due to its position on Cape Cod, weather in Dennis Port is highly influenced by the presence of the Atlantic Ocean, which brings a

considerable percentage of humidity and windy days throughout the year. The majority of tourists visit the town during the summer, when the warmest temperatures and the lowest probability of precipitation make this location perfect for beachcombers. However, if you are looking for lower accommodation prices or just want to avoid crowded beaches, It could be a good idea to visit Dennis Port in late Spring or early Autumn.
