THE CITY

DAE Photo/Shutterstock.com

This is where it happens. Excitement beckons at every corner and there is action to be had on every wave along the 70 km of white sand beaches. The region is the theme park capital of Australia offering plenty of hours (or even full days) of fun and entertainment.

If adrenaline is your thing, try Dreamworld's Giant Drop. If you fancy kissing a seal, head to Seaworld and get a smooch on the cheek. Pretend to be a Hollywood star at Movieworld or fling yourself down tubes of gushing water for relief from the Queensland heat at Wet'n'Wild.

Surfers Paradise in the north has round-the-clock entertainment with glitz, glamour and heaps of nightclubs and shops. Coolangatta and Tweed Heads in the south have some of Australia's best breaks and the area is increasingly becoming more popular with surfers. The Gold Coast is whatever you want it to be.

DO & SEE

sw_photo/Shutterstock.com

No matter if you spend one week or three weeks here — you will not get bored! The Gold Coast has more to offer than just lovely beach, best surfing and great places for a good night out. Visit, for example, the fun amusement parks, interactive museums or Tamborine Mountain.

Movie World is a world of pure imaginations and entertainment. Here you will find thrilling rides like Superman Escape, a rollercoaster where you go from 0 to 100 km/h in just two seconds for a proper thrill. At Movie World you can also enjoy stunning shows and movie attractions.

Best Time To Visit

If you travel around April and May, you will be able to enjoy warm weather and the lowest chance of rainfall. This is also the most affordable

time to visit as there are no school holidays.

Another plus is that you will avoid tourists and holiday crowds.

Electricity

Australia operates on a
230/240V supply voltage
and 50Hz frequency. The
country uses Type I
power plugs, which
feature two flat pins

forming a 'V' shape, along with a grounding pin.

This standard is also commonly used in New Zealand, Argentina, China, and several Pacific island nations. Remember to pack a universal adapter if your devices use a different plug type to ensure hassle-free charging.
