## THE CITY

*Kalmar Turistcenter*

Wherever you go in Kalmar, you can feel the echoes of history. Many of the old buildings host charming shops, restaurants and pubs. For example, you can buy coffee at 'Gerdas' one of Sweden's oldest retail premises built in 1667. You can also visit Westholms glass studio at 'Västerport' — Kalmar's old gateway through the city walls.

All year round, events and activities take place around the city. Listen to a free concert at the city square, become a knight at the Kalmar Castle, see all the participants in the IRONMAN competition or visit the art museum in the beautiful city park. In Kalmar, there's always something going on!

Here, you can always sense the nearness to the sea. Take a swim at 'Kattrumpan' — a beach located right at the end of the main shopping street. Behind Kalmar Castle, you will find the newest and largest beach 'Kalmarsundsbadet' with a 150-metre-long bridge.

You can combine several interests in one holiday. Close to Kalmar, you will also find the beautiful island of Öland and the Kingdom of Crystal.
