Kauai challenges the conventional getaway with the mantra that you should never compromise on perfection while choosing vacation destinations. With 50 combined miles of stark, white sand beaches, bounties of tropical flowers, 10 spectacular golf courses, opportunities for both deep sea and freshwater fishing, several navigable rivers, world-class resorts and more, Kauai is the very definition of perfection.

THE ISLAND

Alberto Loyo/Shutterstock.com

Like its fellow Hawaiian islands, Kauai is shrouded in fantastical mystery. As the oldest of the islands, its legends run parallel to Kauai's wonderful history.

The most popular of the legends introduces the Menehune, a mythical race of dwarfs who hid from the sight of human beings in the lush forests and hills of Kauai. They were said to be talented craftsmen, constructing Kauai's aqueducts and fishponds in unseen swiftness. Hawaiians continue to show due deference to the Menehune, as the fishponds like Alekoko are often referred to as Menehune Fishpond.

During the era of Hawaii's discovery by western explorers, King Kamehameha I was exercising his influence to unite the islands under one kingdom. Initially, Kauai and the neighboring island of Niihau withstood Kamehameha's efforts, but Kauai's King Kaumualii eventually agreed to join the Kingdom of Hawaii in peace.

Famed British explorer Captain James Cook landed on Kauai's Waimea Bay in 1778, thus commencing Hawaii's introduction to the world. Waimea Town features a statue of Captain Cook to commemorate this event. In 1835, as it was discovered that the Hawaiian Islands were optimal for sugar plantations, Old Koloa Town

opened its first sugar mill. Many historical registries line the island as a result, including the Waioli Mission House and sites along the Koloa Heritage Trail.

Step onto the shores of Kauai and you've instantly become one with history.

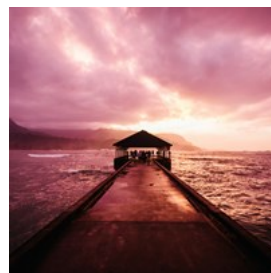

DO & SEE

idreamphoto/Shutterstock.com

With the island's unparalleled natural beauty, you will be able to explore grottoes, miles of beaches, and the best Kauai has to offer. Enjoy a variety of educational, recreational and relaxing activities spanning the entire island.

Hanalei Bay

Hanalei Bay is known for its stunning natural beauty, with crystal-clear waters, pristine sandy beaches with lush green mountains in the

background. It is also home to a number of cultural attractions, including the Hanalei Valley Lookout and the Instagram-favorite Hanalei Pier. In addition, Hanalei Bay is known for its laid-back, relaxed atmosphere, and is a great place to unwind and escape the stresses of daily life.

There are a range of resorts, vacation rentals,

and other accommodations available in the area, making it a popular choice for visitors who want to spend their days relaxing on the beach or exploring the local area.

Makauwahi Cave Reserve

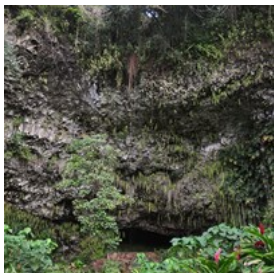

The Makauwahi Cave Reserve is a must-see for nature lovers and paleontology enthusiasts. This sinkhole is home to a sand-floored cave that holds a rich fossil record and evidence of the widespread extinction of native plants and animals. The reserve can be reached by hiking along the Maha'ulepu Heritage Trail or by driving along a dirt road beyond the Grand Hyatt.

Visitors can learn more about the site's history from volunteers who are on hand daily in the cave and can take a walk along the rim of the sinkhole, which is being replanted with native species.

Kilohana Plantation Estate

Visit Kilohana Plantation today and travel back in time. Capturing 1930's Kauai, the plantation is one of Kauai's treasures. In 1935, Gaylord Parke

Wilcox decided to build his dream home with his wife, Ethel. The house featured Tudor-style architecture and became known as Kilohana. The 16,000 square foot mansion was the center of a 26,000-acre sugar field, serving as the family home for many generations.

Kauai Cruise Ship Terminal

The Kauai Cruise Ship Terminal is located in the Nawiliwili Harbor on the island of Kauai. It is a popular destination for cruise ships traveling to

Hawaii, and serves as a gateway to the island's many attractions and natural beauty. The terminal is conveniently located within walking distance of the town of Lihue, where visitors will find a variety of shopping and dining options.

The terminal itself is equipped with all the amenities that cruise ship passengers need, including restrooms, a luggage storage area, and a comfortable waiting area. The terminal is also home to a number of tour companies that offer a range of excursions, such as guided hikes through the island's lush rainforests, snorkeling

trips to see colorful marine life, and cultural experiences that showcase the island's rich history and traditions. Whether you're looking to relax on the beach or explore Kauai's many wonders, the Kauai Cruise Ship Terminal is a great place to start your vacation.

Lihue Airport (LIH)

Kauai's main airport is Lihue Airport (LIH), located in southeastern Lihue on the island's east end, 2 nautical miles east of the center of the CDP.

It serves as the aviation gateway to Kauai with direct routes to two other islands, Honolulu and Kahului/Maui. Direct flights are also available to the United States mainland, and Vancouver, Canada.

Ground transportation is provided by rental car, taxi, shuttle, courtesy buses, and the Kauai County bus, which runs from Kekaha to Hanalei with daily stops at the Lihue Airport (bus stop in front of the terminal).

Best Time to Visit

The weather in Kauai is surprisingly stable, with pleasant temperatures year-round. The winter months

(November-March) see heavier rain, but winter is also the time when humpback whales migrate to Hawaii and can

often be seen not far from shore. All things considered (weather, crowds, prices, etc.), the best times to visit are during the shoulder seasons of April-August and September-October. But the truth is there is no wrong time to visit the beautiful 'Garden Isle' of Kauai.

Post

Sending parcels and letters in the US is a relatively straightforward process. The most common method is through the United States Postal Service (USPS). The USPS offers a variety of services for sending mail, including First-Class Mail for letters and postcards, Priority Mail for packages, and Priority Mail Express for overnight delivery. To send a parcel or letter, you will need to take it to a USPS post office or use a USPS blue collection box. Use the USPS website to find the nearest post office or collection box to your location. Additionally, you can also use private couriers such as FedEx and UPS, which often provide a wider range of services and faster delivery times, but generally at a higher cost.
