

Puerto Plata

Photo: jvphoto.ca/Shutterstock.com

Ryan Richter/Shutterstock.com

In his first trip to the stupendous region, Christopher Columbus noted the silver-tipped appearance of the area's prominent mountain. As "plata" is Spanish for "silver", Columbus christened it "Monte de Plata", and the city became known as Puerto de Plata. Luring vacationers much as it had Columbus, Puerto Plata is one of the Dominican Republic's most renowned cities. Lending to a bright culture of friendly people and recreational activities, Puerto Plata will exceed even your wildest and greatest of expectations.

THE CITY

Artefficient/Shutterstock.com

Welcome to Puerto Plata, a Caribbean city soaked in sunshine. The streets of this vibrant city come to life with warmth and character. Stroll through the downtown to meet the amiable Dominican people and have a cold beer and you're sure to be smiling soon.

Unwind on the northern shore, taking in white sand beaches overlooking crystal clear waters, or plan an adventure to the top of 2,600 foot Mount Isabel de Torres.

After a long day at play, enjoy a romantic dinner for two over fresh caught seafood and a glass of red wine. Falling asleep to the rolling waves reminds you that it begins all over again come morning.

DO & SEE

Artefficient/Shutterstock.com

Unwind at the beautiful beach, enjoy adventures in the water or at the top of a mountain. There is enough to do in Puerto Plata to make for a perfect vacation.

27 Charcos

27 waterfalls are nestled in the rolling hills of the Northern Corridor mountain range and offer a real tropical adventure. Touring these waterfalls will excite even the adrenaline junkies out there.
